Dear Mr. Marshall,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2017-370-E - Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Inc. for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Inc., as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you may specifically follow Docket No. 2017-370-E at this link: <https://dms.psc.sc.gov/Web/Dockets/Detail/116542>

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Hope H. Adams

Subject: SCE&G Debacle

Sir,

Please do the right thing by the people of South Carolina, and not approve the sale of SCE&G to Dominion, but allow SCE&G to become bankrupt, as any other capitalist company would have to. It is not fair, not that anything in life is fair except the county fair, for all the residents of SC to have to bail out the administration and shareholders of SCANNA / SCE&G. It is especially egregious that the executives would receive their Golden parachutes, who made the very poor decision to proceed with the construction of the nuclear plant construction after Westinghouse's bankruptcy. The deception and obfuscation of the depth of the problems by the executives who hid from the public, and legislators, and you, the fact that the project was not financially viable, should be punishable (by bankruptcy). But, you, allowed the public to be nuked with the cost overruns. If I could fire you, I would, and, I hope you receive thousands of comparable emails and or letters.

Sincerely and without malice, I am,

Alexander WvMarshall
